STAT

In the first few weeks in this new and difficult job, I have been under such pressure that I have had to neglect a number of outside things of considerable importance. Included in this list of omissions is my failure to get in touch with you. Can we arrange to meet some time during the week commencing November 27th? Anyway, I shall ask my secretary to get in touch with yours and attempt to arrange a mutually convenient time and place.

With best personal regards,

Very sincerely,

sgd - disp via HR 11/20/50
